

Endowment tokens

Where we describe fully-collateralized fiat-pegged tokens (solEUR, solUSD, etc.) that generate interest and automatically donate it to the SolidarityCard global community.

Holders of the token can at any time exchange it for the underlying fiat or other cryptos.

solEUR

Donate 100% of the generated interest.

solEUR50

Donate 50% of the generated interest, keep the rest.

solEUR25

Donate 25% of the generated interest, keep the rest.
