# Community-powered trust

I want to be an **ACTIVATOR** → Signup with my email and phone → Verify my address and identity → Order a 10-pack SolidarityCard activator kit → Wait a couple of days for the cards to arrive → Watch the **ACTIVATOR** course videos →

Go to the street and meet a **BENEFICIARY** → Use my smartphone to scan the QR code of the SolidarityCard to activate → Login to my **ACTIVATOR** account → Fill in the **BENEFICIARY**'s birthdate and name → Take and upload a photo of the **BENEFICIARY** → Record a video of the **BENEFICIARY** saying their name and birthdate →

Post the video to my social networks with a message that includes the SolidarityCard address → Instagram / Pepo / Twitter → Links to these posts will be sent as proof-of-identity to the SolidarityCard address → Optionally add more short videos where I talk with the **BENEFICIARY** about their life → Earn 5 soliDAI for each activated SolidarityCard → Join the SolidarityDAO
